Part 4: Treatment of Fees and Priority Claims

4.1 General

Trustee's fees and all allowed priority claims, including Domestic Support Obligations other than those treated in Section 4.5, will be paid in full without postpetition interest.

4.2 Trustee's fees

Trustee's fees are governed by statute and may change during the course of the case. The trustee shall compute the trustee's percentage fees and publish the prevailing rate on the court's website. It is incumbent upon the debtor(s)' attorney or debtor (if pro se) to monitor any change in the percentage fees to insure that the plan is adequately funded.

4.3 Attorney's fees.

Attorney's fees are payable to **Lawrence W Willis Esq 85299**. In addition to a retainer of \$900.00 (of which \$_0.00 was a payment to reimburse costs advanced and/or a no-look costs deposit) already paid by or on behalf of the debtor, the amount of \$3,100.00 is to be paid at the rate of \$620.00 per month. Including any retainer paid, a total of \$_4,000.00 in fees and costs reimbursement has been approved by the court to date, based on a combination of the no-look fee and costs deposit and previously approved application(s) for compensation above the no-look fee. An additional \$_0.00 will be sought through a fee application to be filed and approved before any additional amount will be paid through the plan, and this plan contains sufficient funding to pay that additional amount, without diminishing the amounts required to be paid under this plan to holders of allowed unsecured claims.

Check here if a no-look fee in the amount provided for in Local Bankruptcy Rule 9020-7(c) is being requested for services rendered to the debtor(s) through participation in the court's Loss Mitigation Program (do not include the no-look fee in the total amount of compensation requested, above).

^{*} The secured tax claims of the Internal Revenue Service, Commonwealth of Pennsylvania and any other tax claimants shall bear interest at the statutory rate in effect as of the date of confirmation.

Part 8: General Principles Applicable to All Chapter 13 Plans

- 8.1 This is the voluntary chapter 13 reorganization plan of the debtor(s). The debtor(s) understand and agree(s) that the chapter 13 plan may be extended as necessary by the trustee (up to any period permitted by applicable law) to insure that the goals of the plan have been achieved. Notwithstanding any statement by the trustee's office concerning amounts needed to fund a plan, the adequacy of plan funding in order to meet the plan goals remains the sole responsibility of debtor(s) and debtor(s)' attorney. It shall be the responsibility of the debtor(s) and debtor(s)' attorney to monitor the plan in order to ensure that the plan remains adequately funded during its entire term.
- 8.2 Prior to the meeting of creditors, the debtor(s) shall comply with the tax return filing requirements of 11 U.S.C § 1308 and provide the trustee with documentation of such compliance by the time of the meeting. Debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the information needed for the trustee to comply with the requirements of 11 U.S.C. § 1302 as to the notification to be given to Domestic Support Obligation creditors, and debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the calculations relied upon to determine the debtor(s)' current monthly income and disposable income.
- 8.3 The debtor(s) shall have a duty to inform the trustee of any assets acquired while the chapter 13 case is pending, such as insurance proceeds, recovery on any lawsuit or claims for personal injury or property damage, lottery winnings, or inheritances. The debtor(s) must obtain prior court approval before entering into any postpetition financing or borrowing of any kind, and before selling any assets.
- 8.4 Unless otherwise stated in this plan or permitted by a court order, all claims or debts provided for by the plan to receive a distribution shall be paid by and through the trustee.
- 8.5 Percentage fees to the trustee are paid on receipts of plan payments at the rate fixed by the United States Trustee. The trustee has the discretion to adjust, interpret, and implement the distribution schedule to carry out the plan, provided that, to the extent the trustee seeks a material modification of this plan or its contemplated distribution schedule, the trustee must seek and obtain prior authorization of the court. The trustee shall follow this standard plan form sequence unless otherwise ordered by the court:
